Part III REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach, disclose, or suggest the claimed limitations of (in combination with all other limitations in the claim), an image processing method for reading image data acquired by different types of image acquisition means and processing the read images wherein the image data processing contents are image correction processing contents for making a correction to an image and image scaling processing contents for enlarging and reducing: an image wherein the image correction processing contents include color correction processing, brightness correction processing, contrast correction processing, color saturation correction processing, noise removal processing, smoothing processing, and contour correction processing at least one correction processing of which is performed and wherein the image scaling processing contents are to perform image scaling processing set based on a resolution of the image data acquisition means as claimed in claim 1. Similar features are claimed in claims 6 and 11. Therefore, claims 6 and 11 are allowable over the prior art of record for the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
